

Praying for the SALT Squad

Print off these pages to pray Aug 9 on the day of prayer and fasting, and each day while the team is away.

Ask the Lord:

- * Lord how would you have me pray today for this trip?
- * Is there anyone in particular you want me to intercede for?
- * is there a word or picture you have for me to give a particular person or the team as a whole to encourage them?

SPECIFIC WAYS WE CAN PRAY:

(Feel free to pray for all of these or maybe the Lord will just point out a few to focus on)
The important thing here is to dialogue with Lord and not roll off a list of petitions as a check list.

PRAY:

- * For protection for the team as they travel.
- * Unity among one another
- * Filling and empowering of the Holy Spirit
- * Sensitive to God's voice and leading of the Holy Spirit
- * Boldness in proclaiming the gospel when they can
- * For the team to stand firm in the midst of any spiritual attack and not lose heart
- * Strong relationships to develop with the Albanian congregation and those who do not yet know Jesus.
- * For the Sauk congregation to be encouraged and strengthened (through TiM classes, work projects, leadership meetings, gatherings)
- * For the Sauk congregation to be equipped to reach into their community (through sports camps and outreaches)
- * For the establishment of a sports ministry in the congregation.
- * For the training of the youth to become leaders
- * For Klement and Xhevi as they lead the congregation
- * for Rosa and Kathi as settle back into life there.
- * That many people would come to faith in Jesus and for a plentiful harvest
- * For Eyes and ears to be opened to hear and receive the Gospel.

Daily Prayers

Here's some info about what the team is likely to be doing each day. Ask the Lord how He would have you pray for the heart, mind and strength of those on the team and the Sauk congregation, for the love they have for one another, and for opportunities to show God's love to those in the neighbourhood.
