SOUTHSIDE LEADERSHIP TRAINING

REGISTER: southside.ca/youth

EMAIL QUESTIONS TO: camps@southside.ca

THE INVITATION:

Over the last several years Southside Community Church has been equipping youth with tools to use their gifts to serve their communities and be mentored by those who have gone ahead of them in leadership. In the past, the training ground for Leadership Development has included Volunteer opportunities at Summer Camps, Leadership in Youth Group, International Missions and Church Ministry. This summer, we will continue to place youth in leadership opportunities where they learn to discover their gifts, are equipped with tools to lead and where they have the opportunity to explore how God's Holy Spirit is at work in the neighbourhood. **Wherever youth are at in a faith-journey, we welcome them to come grow as leaders and to explore what it means to be an offering to their communities (through practices of team building, camp leadership, neighbourhood service, scripture reading and prayer)!**

THE COMMITMENT:

This summer youth will have the opportunity to discern how much they want to invest in their Leadership Development based on their commitment level. There will be 4 options to choose from. *Note that Teen Mural Class is not part of Leadership Training, but is designed for youth to attend.

THE PROTOCOLS:

As a church, we seek to be IN, WITH and FOR our neighbourhoods. It is important to us that we abide by BC Health Orders in all activities that we do! Currently, under the "Youth Extra Curricular Activities" category of the Province-Wide Restriction, "structured extracurricular activities and programs for children or youth 21 years of age and younger can continue to operate with a COVID-19 Safety Plan in place." This allows us to safely hold indoor and outdoor training sessions in our buildings with proper protocols in place. <https://www2.gov.bc.ca/gov/content/covid-19/info/restrictions>

Unless changed by the BC government, our safety protocols will include, required sanitization upon entry, masks being worn most times except when eating. If youth are ill, they are asked to let their Camp Leader know and stay home. For the weekend of SERVE, students are asked to camp in their own tent. All food will be provided with safety measures in place.
